

## **I Am Not Your Enemy**

**By: Hazel Gay Lee @2014**

**Fear me not for I have nothing for you to fear  
Hate me not for I do not allow hatred to take root within me  
Waste not your energy by dwelling your thoughts on me  
Your perception of me is flawed if you think I am stocking you  
I am not your enemy. I have no desire to destroy or hurt you  
Do not give me the power to alter your life in a negative way  
Do not let me take from you what you do not want taken  
Do not hide from me because I am not looking for you  
If you think I am following or watching you, you are mistaken  
Don't isolate yourself from others so I will know nothing about you  
I already know everything about you that I will ever need to know  
I know what a wonderful person you are and how much I love and miss you  
I speak of you in my prayers that God will keep you well and protect you**

**Do not let me take your happiness when my name is mentioned  
Dwell not on suspicion nor think evil thoughts of me wanting to hurt you or those you love  
Do not waste your time to protect yourself from me or wonder what I am doing  
If you must know I am doing nothing but asking God to richly bless you  
I do not want your power nor to bring sorrow or pain to your heart  
I left because you needed me to go. I love you enough to honor your need  
Do not fear that I am trying to take something from you  
I can only take what is rightfully mine and you will keep what is rightfully yours  
I am not a thief and I am not a beggar. I do not stay where I am not wanted  
You wanted me to exit your life. Although grievous and painful I honored your request**

**If our paths should ever cross again I want you to know that I am not your enemy  
I would be totally delighted and embrace you with divine love that I feel for you  
If our paths never cross again I will keep you in my heart for eternity  
I ask that God cradle you safely in his arms because I love you  
I hope someday you will understand my genuine love for you  
I hope you will knock on my door so I can invite you in as my friend  
Our paths crossed for a reason and a season. I am very thankful they crossed.**

**So, my friend, do not give me a second thought that will cause you grief or pain  
I think of you only with love and amazing sweet memories. I am sorry you needed me to go  
Our futures are uncertain and beyond our control but I know one thing for certain  
To have known and loved a friend like you is like finding a rare jewel on our journey called life  
Rare jewels are meant to be cherished and worn proudly in our hearts  
In my heart is where I wear you. You go with me everywhere I go  
You are a miracle in my life. You are a priceless and beautiful jewel**
