

## Fly

By: Hazel Gay Lee Song Lyrics In Poem Format (A Lullaby for My Son, Kevin) ©2011

I'll lift you up and let you fly  
Release your soul to live, not die  
Take all the love you've given me  
I'll lift you up, I'll set you free

My son, my love, my precious boy  
You left so young, too young to go  
Your body rest where death is found  
So I'll lift your soul where life abounds

Your dreams, your hopes will fly with you  
They will stay alive in all I do  
Your hugs I feel. Your face I see  
I'll fly with you. You'll fly with me

My son, my love, my precious boy  
Your time with me has brought great joy  
We can't go back and we can't stand still  
So together we'll fly so we both can heal

Where angels fly, we'll fly there too  
Above the pain from losing you  
A place where I can embrace your soul  
We'll soar that high. That's where we'll go

My son, my love, my precious boy  
You'll live forever within my soul  
We'll find that place where death can't be  
And we'll take our flight, just you and me

I'll lift you up and let you fly  
Release your soul to live, not die  
Take all the love you've given me  
I'll lift you up, I'll set you free
